- 38** Katie B 2D Futurity
- 143** Johnsons Natural Formula Junior Divisional
- 39** Seven Saddle Maturity
- 77** Animal Therapeutics Open Pole Bend
- 50** Bar Hat Junior Pole Bending

There will be a "Competitor Briefing" 30min prior to start times on Wednesday and Thursday to go over ground rules and answer questions. Attendance is highly recommended.

The judges for the week will be Jill Lyons – Open Divisional and Futurity and Larna Carney Wicks –

Junior Divisional, Maturity and Pole Bending. All disputes must be lodged within 30 minutes of the completion of the event with a \$50 fee. If dispute is lost \$50 will be forfeited. If the disputes is won \$50 will be refunded. We urge all members to read the ABHA rule book prior to the Finals and Ground Rules will be posted on Facebook prior to the finals as well.

Please remember the AGM will be held on Tuesday night 13th September 7pm at AELEC. We urge all members to attend. Five Director positions are available including the President and Vice President. If these positions are not filled the future of the ABHA will be uncertain. With all the hard work that has been put in to bring the finals back in 2022 after such hard times it'd be a shame to not have the momentum continued and see the Association come to a grinding halt.

For all queries regarding the AGM or the Finals, please contact our secretary Katrina via email.

SPONSOR SPOTLIGHT!

Developed and owned by barrel racer Kathleen Menard Perron, Seven Saddles are this year's ABHA maturity sponsor providing a beautiful trophy saddle.

Kathleen and her family have dedicated their lives to developing the perfect barrel saddle to fit all horses and riders. Endorsed and designed by top riders in the nation they have created 3 lines of high quality, durable and uniquely tailored barrel saddles. They use an exclusive manufacturer that hand builds each custom saddle on a variety of different trees to suit each individual customer's needs.

The company has been established for 20 years, but recently relocated to Quebec. The models for their barrel racing saddles have been created and tested by professional barrel racers and trainers to obtain a quality saddle that is comfortable for the horse while allowing the rider to maintain a correct position. Saddles are available in two tree widths, semi quarter bars and full quarter bars. Kathleen welcomes everyone to come and try a 7 Saddle and this is achievable in Australia now with representative Justin Gill being based just outside of Sydney NSW. They have many saddles in stock, but if you would like a personalized saddle, please allow 6 to 8 weeks for delivery. They offer many different styles and encourage each and every person to choose their unique saddle!! 7 Saddles also offers super lightweight neoprene saddles from Brazil!

Some of Seven Saddles are endorsed by some of the industry's leading competitors and trainers including **Mike and Sherrylynn Johnson** whom together have qualified for the NFR 27 times. Australian endorsee includes multiple times ABCRA finals qualifier and champion Katina Matthews.

We thank 7 Saddle for their support of the 2022 ABHA National Finals.
