

Dear ABHA Members,

NOTICE is hereby given that a Special General Meeting of the Australia Barrel Horse Association will be conducted using electronic ballot as per the NSW Government Fair Trading announcement.

Until 26 September 2020, associations may conduct committee meetings and general meetings using technology and pass ordinary and special resolutions by either postal or electronic ballot even if this isn't stipulated in their constitutions. Members must still have an opportunity to participate in meetings using technology.

As most members are aware Life membership is required to be added, and it has been found that the voting process is not been clear. All resolutions are regarding these two issues.
