Item 6 President's Report:

Good evening everyone, and welcome to the 2025 Annual General Meeting of the ABHA. It is a pleasure and a privilege to speak with you tonight.

This past year has brought both challenges and wonderful successes.

But despite those obstacles, our association has continued to grow stronger. Every member, volunteer, affiliate, and partner has played an important role in helping us move forward.

We continue to see remarkable growth. This year alone, more than 400 new members joined our association, along with several new affiliates. This reflects not only the growing popularity of our sport, but also the need for Directors who bring passion, foresight, and a strong commitment to guiding the ABHA into the future.

On the Board, we often say that "the bus is getting bigger."

And it truly is. The decisions we make today will shape the direction of our sport and create opportunities for everyone involved, no matter their ability, experience, or level of horsemanship. Together, we're building a future that supports all members and continues to elevate our sport.

I want to take a moment to sincerely thank my fellow Board Members.

Your hard work, dedication, and countless hours of effort have been invaluable. Your commitment to the ABHA, and your unwavering support, mean more than I can say.

I would also like to acknowledge and thank Maree Fanin, our outgoing Vice President, for her outstanding service and leadership.

This year, Maree was awarded Life Membership—an honour that reflects her long-term dedication and exceptional contribution to our association.

And we're pleased to share that Maree will continue supporting the ABHA in a new capacity. The Board will be employing her as a Finals Coordinator two days a week, helping us grow and promote our Finals. We are incredibly grateful for all she has given, and we look forward to the expertise she brings to this new role.

A special thank you must also go to Jayne, our hardworking Secretary.

Her knowledge, her attention to detail, and her unwavering commitment are truly invaluable. We simply could not operate at the level we do without her.

I would also like to acknowledge Chris Mallon for his work at the Finals, and for hosting and managing this Zoom meeting tonight.

His support behind the scenes ensures everything runs smoothly, and we are very grateful.

I also want to congratulate all the competitors at this year's Finals.

And to those who volunteered their time, thank you. You helped make it a truly memorable event.

The Top 50 and Top 25 Juniors put on an outstanding display of barrel racing, and the Australian Barrel Racing Record was broken twice during the finals. It was a Finals to remember.

We are now looking at adding further incentives and events to ensure the Finals remain something all our members want to be part of.

A heartfelt thankyou to our Major Sponsors, Circle L, Katie B, Bio Link, and Bling and Speed, along with the many other sponsors and individuals who support our Finals each year. Your generosity is vital to the success of our events.

Our Stallion Incentive Program also continues to grow. I'd like to thank Jill Burch and Justin Gill, who work closely with the Board to engage the stallion owners helping strengthen barrel racing incentives for our members.

We also acknowledge the AQHA, which increased its sponsorship to \$10,000 this year. This has given our members even more opportunities to win money through the divisional program.

As we look ahead, we remain committed to building on this momentum, improving our programs, supporting our members, and working together to ensure continued growth and success for the ABHA.

Thank you

Motion:

Open Divisional and Junior Divisional Wild Card.

A 'Wild Card' a second-chance entry or qualification that allows a rider to compete in a National Finals, often after initially failing to qualify through standard methods. It can be earned at specific events, won in auctions, or awarded through a draw. (Stipulations may include, rider must have been a financial member for the current season or competed in at least one event).

*Not applicable for futurity or maturity events.

*capped at certain number of wild cards per season, which expire at the end of the season.

*cost of wild card to be \$xxx

*applications to be submitted with payment before certain date with explanation why they deserve a wild card and board decides who is awarded them. (Examples, a rider was injured and can provide evidence of being unable to attend or rider is international only travelling over for finals)

Examples of wild cards in action:

*in the 2019 Calgary Stampede, two riders earned wild cards, allowing them to compete in the championship round for a large purse.

*The NBHA offers wild cards that grant entry to its world championships,

*At the Rodeo Houston events, the six athletes who don't advance from the semi-finals go to a wild card competition, with the winner moving on to the championship.
